New Version available...

In my travels as I am on the road this summer, I recently sat next to a woman at a meeting who attended the International Convention of Al-Anon in Baltimore in July. She raved about the experience and the phenomenal energy surrounding the event. She also had a copy of the new 50<sup>th</sup> Anniversary Issue of ODAT. It is truly a beautiful book. Collectively, think of all of our loved and tattered copies of ODAT, and consider all the people this little book has aided. Together, we can make it! \* Contact our LDC for ordering information [LDC@NaplesAl-Anon.org](mailto:LDC@NaplesAl-Anon.org).

**Just because you are right  
doesn't mean I am wrong**

**You just haven't seen  
life from my side**

Have you considered...  
Are you willing to consider...  
Are you willing to be willing to consider...  
That there may be another way to look at  
things?

AND.... A little humor:

Heard at a meeting...

"I wake up every morning and decide to be happy. When I go out I smile at people, and you know what, they smile back at me. I brought them joy and they returned a bit of it to me!"

"THIS- Being Okay-It's almost uncomfortable!"

Progress, Not Perfection...The Beacon is a work in Progress. I am grateful for the opportunity to be working on this project for our AI-Anon/Alateen community
