You are an important part of your Al-Anon Recovery Group. What talent or interest do you possess that you might share in service? If you hear in a meeting that they are in need of someone to take a position, perhaps there is another member who will benefit because of meeting you. There is something to be experienced in stepping up.

Why not give it a try...?

The Harvest is plentiful, but the workers are few!

**AND.... A little humor:**

**Heard after A Meeting...**

**A fellow Al-Anon was heard to say after a meeting attended while traveling:**

"I found a meeting. It's in the basement of a church. Chilly damp and moldy."

**Response from Al-Anon Friend:** "Take what you like and leave the mold!"

"I may not fit in my family, but I always fit in the palm of God's hand."
