

THE BEACON

Volume 1 Issue 1 June 2018

Step 6

Were entirely ready to have God remove all these defects of character.

Tradition 6

Our Family Groups ought never endorse, finance or lend our name to any outside enterprise, lest problems of money, property and prestige divert us from our primary spiritual aim. Although a separate entity, we should always co-operate with Alcoholics Anonymous.

Concept 6

The Conference acknowledges the primary administrative responsibility of the Trustees.

What is Conference Approved Literature?

We come to Al-Anon for many different reasons. Our reasons are as diverse as we are as people. What we share at Al-Anon is our experience, strength and hope. We do this in the spirit of Al-Anon by sticking to the principles outlined for us in the twelve traditions. These traditions are outlined for us and provide guidelines to make it a safe place for people of all race, religion, background and ethnicity.

Why Do We Use Conference Approved Literature for Al-Anon and Alateen?

By using Conference Approved Literature (CAL), we keep the AL-Anon message in focus. These chosen and approved pamphlets and books reflect an informed group conscience. This approved literature provides a unified view of Al-Anon and Alateen to professionals, individuals and outside agencies.

These materials include the daily readers published by Al-Anon World Services. By sharing the same material, we are shown that we are not alone in this journey. We find that our situation is not unique. There is a wealth of wisdom provided in the sharing of experience strength and hope.

The variety of publications and books cover some of the specific aspects in dealing with the

disease of alcoholism. There are materials to address whatever questions arise in your Al-Anon journey. Look to the Literature Chair Person and the literature table at meetings. Ask questions and you will find what you are looking for.
