A Note from WSO to Update Your Group Information.

District 159 Where & When

Did Your Group Resume its Face-to-Face Meeting?

As newcomers and members feel safe to return to in-person meetings to find help and comfort in Al-Anon and Alateen meeting rooms, it is important for groups to verify that the face-to-face meeting information on display to the public and in the WSO's records is still current.

Here are a few things your group can do to help people find your meeting:

- If appropriate, remove the group's temporary electronic meeting information from local meeting lists, Area listings, and the World Service Office.
- Verify the group's phone contacts if these have been published for public inquiries and newcomers' calls.
- Update the group record to include specific location instructions, such as where to park, a room number, a suite or a floor, the description of the building, etc.
- Before every meeting, place signage outside and inside the building to direct newcomers and others to the meeting room. You can update your Al-Anon group information anytime online. For help with submitting Alateen changes, contact your Area Alateen Process Person (AAPP).

The Serenity Prayer

God, grant me the serenity to accept the things
I cannot change,
Courage to change the things I can,
And wisdom to know the difference.

Al-Anon/Alateen Declaration

Let It Begin With Me

When anyone, anywhere, reaches
out for help, let the hand of Al-Anon and Alateen
always be there,
and — Let It Begin With Me.
